

Grade 2 News

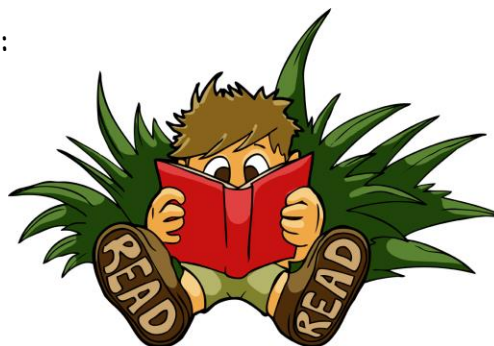

Friday, November 19, 2021
Homeroom 21—Mrs. Kelsey Kelly

Dear Parents,

Students have been working hard throughout the week... We have had a couple of assessments recently. I will be sending them home next week, but I will let students know how they have done. 😊

1. Grade 2 spelling words for the upcoming week:

any	few
came	where
even	then
should	many
outside	float

Our challenge word this week: *November*
The test will be on Friday, November 26th.

2. Math Update—We have finished with our patterning unit. Now we are moving onto working with numbers to 100. We are comparing number values, skip counting, learning about odd/even numbers, and greater than/less than. We will also be looking at counting money. Please practice a bit of counting with your child at home when you have a chance.

3. Virtual Book Fair—Take advantage of this opportunity from November 22nd to December 6th. During these two weeks our Lamont School Community will be given a special access code to the Online Book Fair. You will place your orders online and all orders will be **shipped to the school**. A pickup time will be arranged for your order. Lamont Elementary School Library will receive 20% of the profits from the Book Fair to purchase new materials for the library. More details about this event came home in your child's mail earlier this week.

4. December Hot lunch sign-up—You can find the link on the school website under the "Week at a Glance" heading. Here is the [link](#) if you are viewing the digital version of my note. **The deadline is Monday!**

5. Week 4 LME Home Challenge—Check out the challenge on the LME website!

6. Upcoming Dates:

- ✓ Nov. 26th—Report Cards available online!
- ✓ Dec. 1st—Early dismissal, Loonies4Lamont

Have a great weekend!
